

NOTES:

- lagyan ng label yung buttons pag na-hover for easy identification
- overall: occupy/lessen dead spaces
- text concern: lakihan?? Idk HAHAHAH
- //add sfx pag tama ung answer
- //make materials downloadable daw
- Randomized questions (magkaka data bank ng questions?) – so dadagdagan pa yung mga questions sa quiz

Wala lang yan XD

(On click)
hoverable

text 2: pushed to
the left

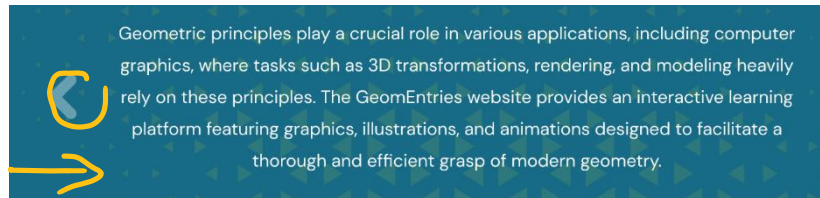

100% opacity, but change default to:

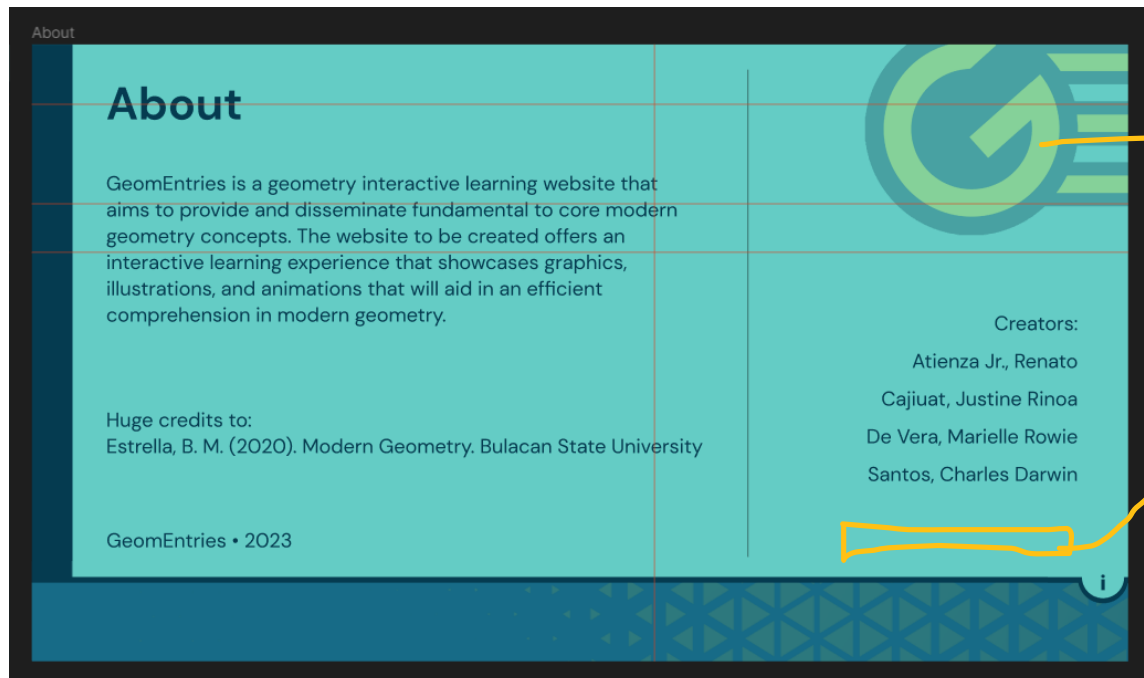

Hovered:

(On click) text 1: pushed to the right

Ikaw na bahala sa
opacity and size, pati
ung bg overlay and
placement

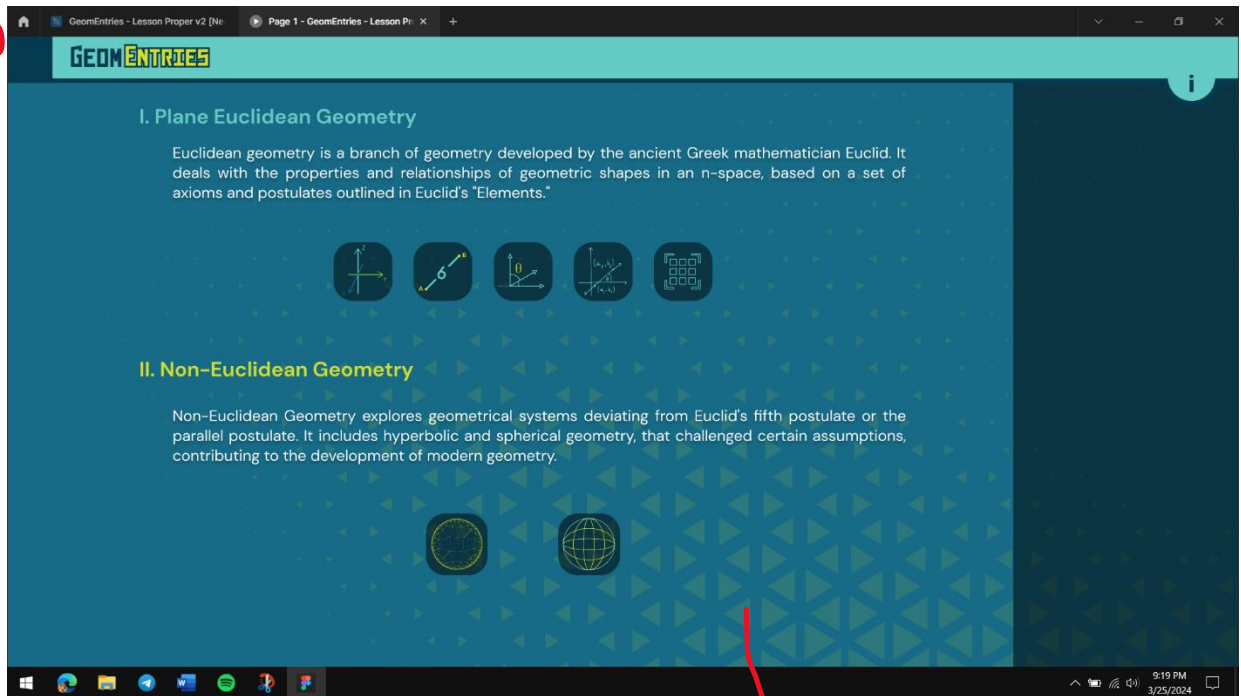

Magdadagdag ng
email button or
clickable to copy
text:
geomentries@gmail.com

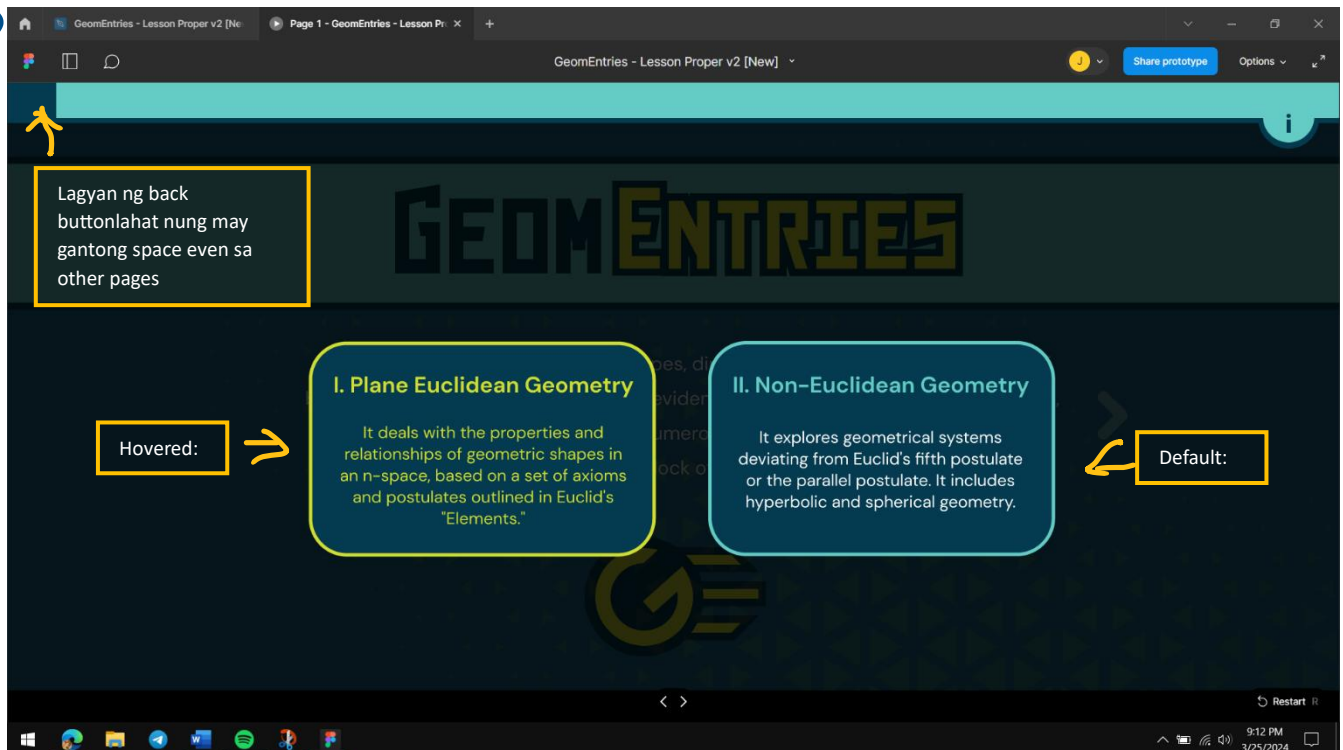

If possible lang
naman ung
magccopy after
pagclick

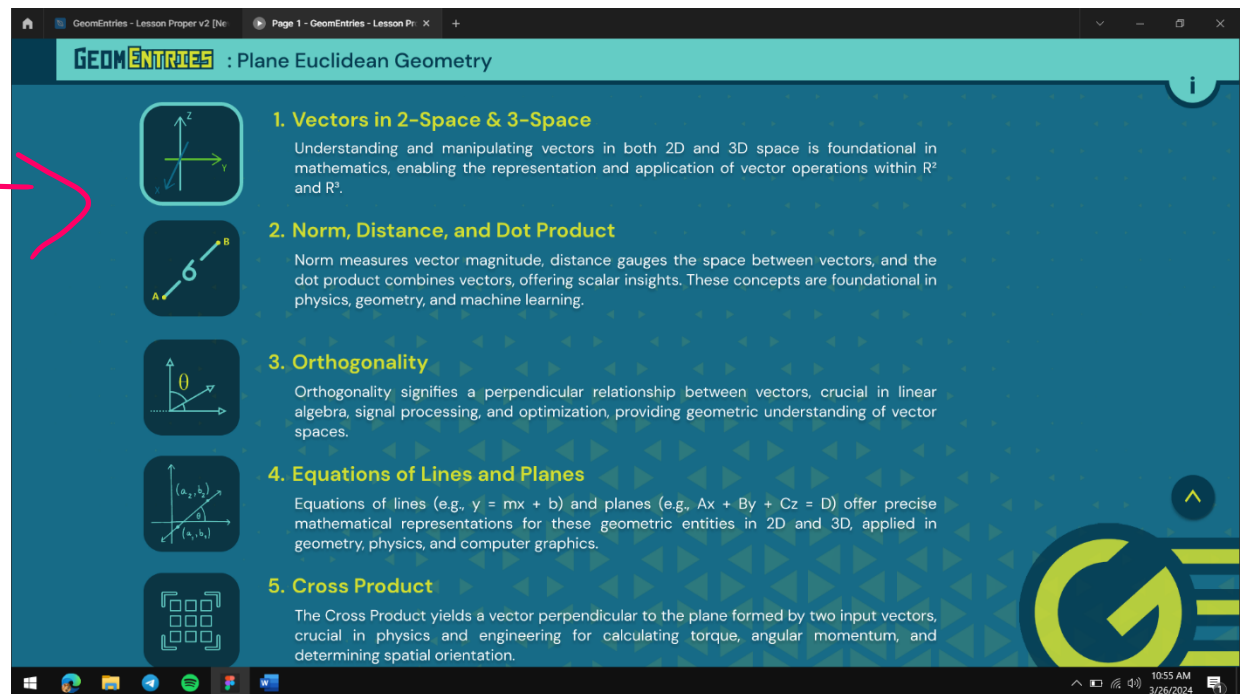

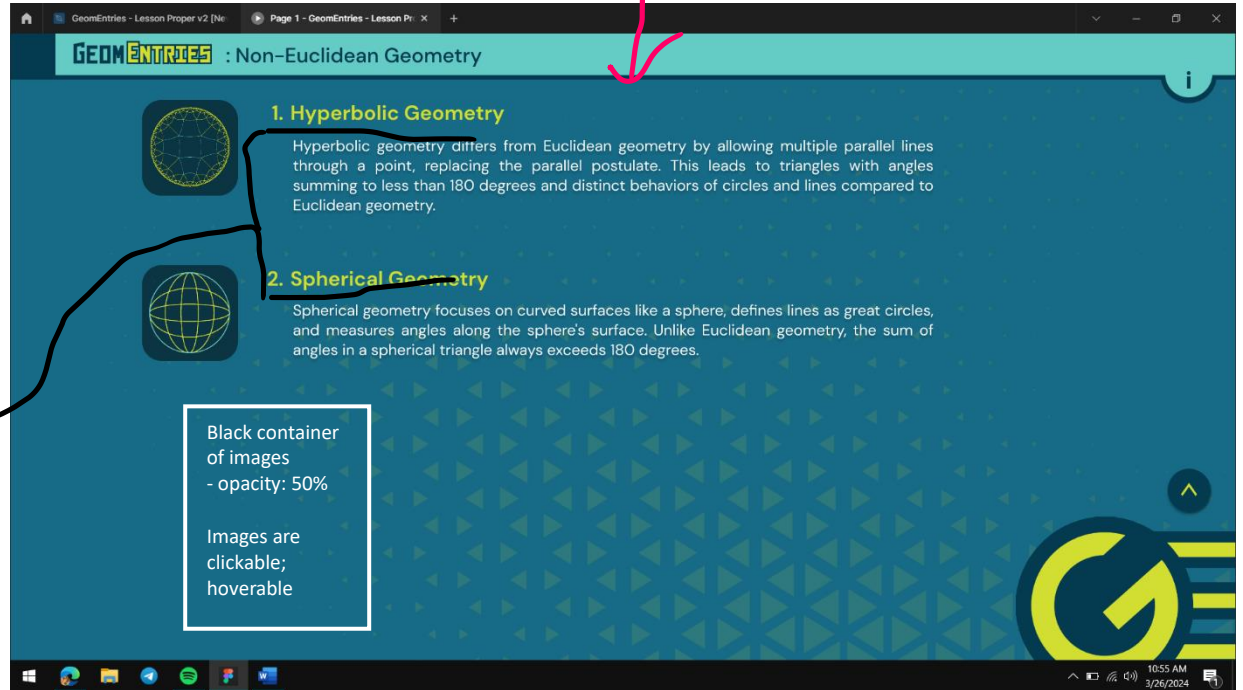

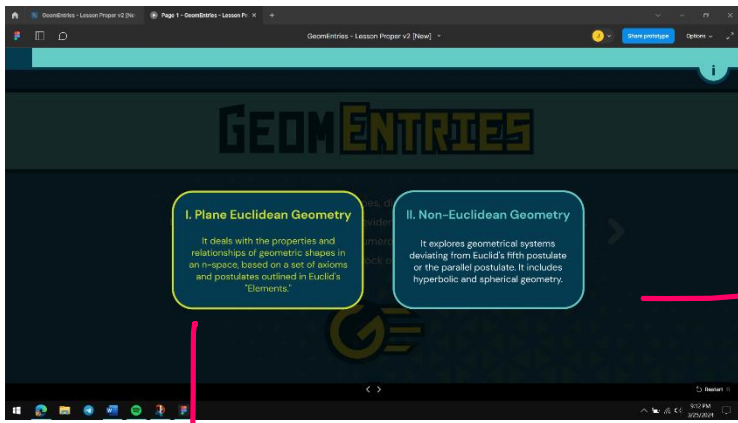

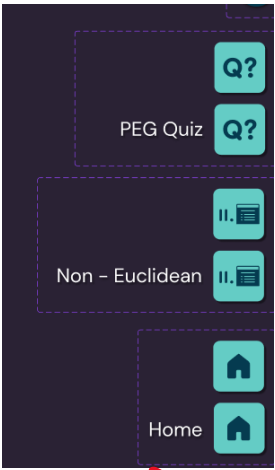

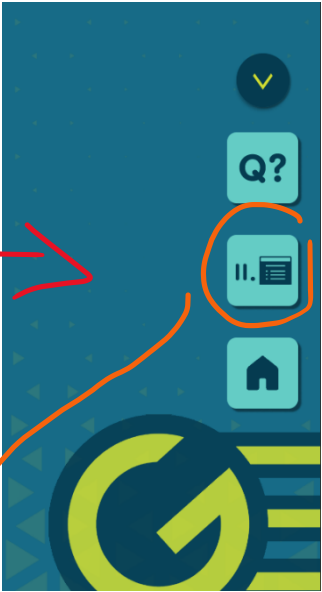

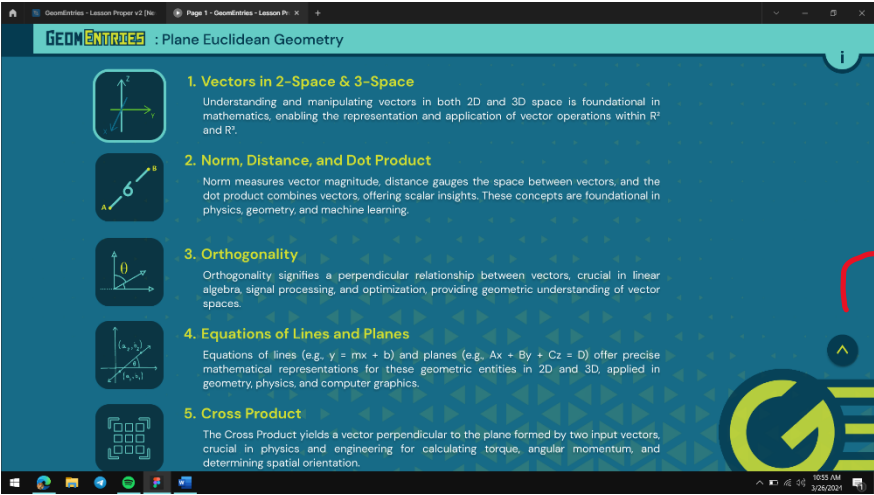

OLD

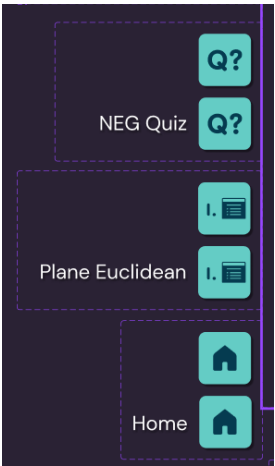

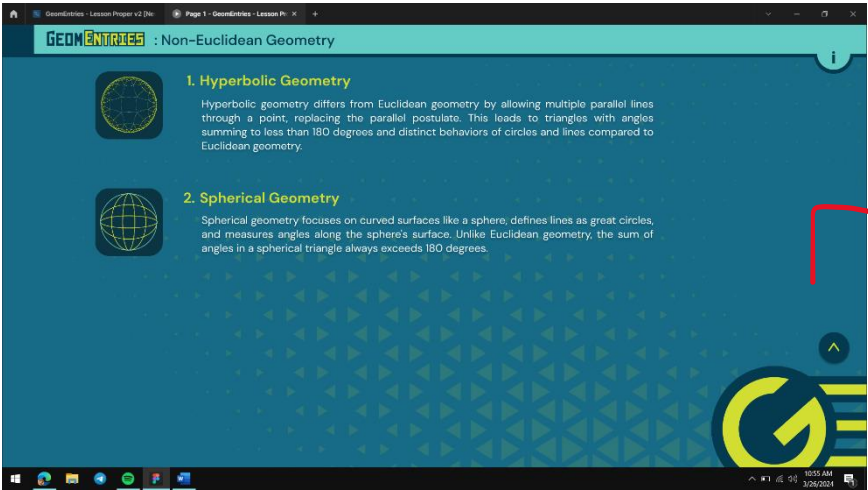

NEW

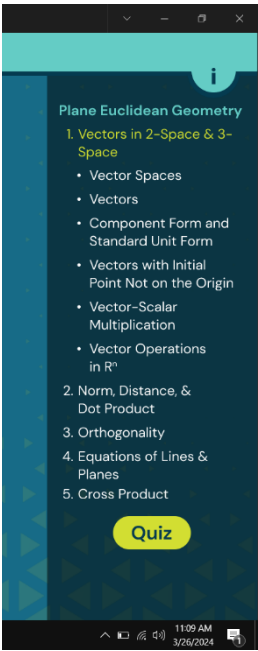

When hovered:

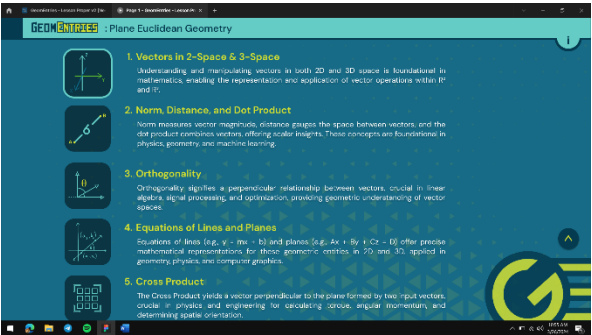

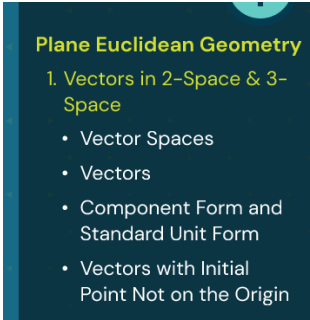

When hovered:

REGARDING SIDEBAR:

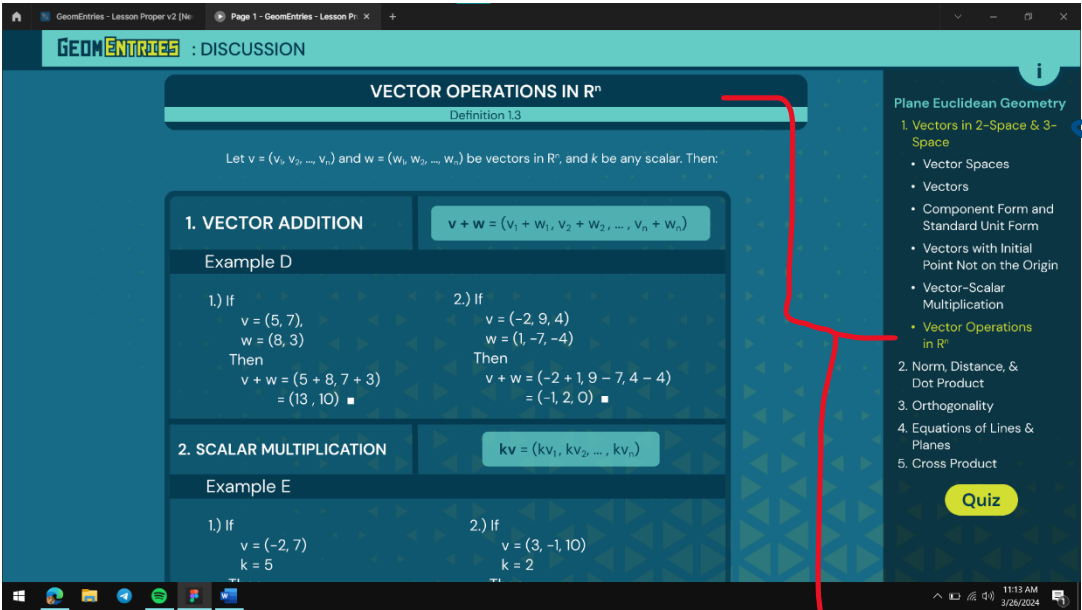

Hovered; clicked

Default is naka drop down – dko alam if mas better na hindi nalang sya nagreretract kase parang no use naman na din

Change quiz button

Mapupunta sa top most pag clinick ung mismong Lesson (numbered)

Highlighted din yng nasa sidebar depending kung nasan na ung subtopic (bulleted)
